DARIA MAROCHNIK

564 East 300 North Vineyard, UT 84059 | (385) 329-6275 | daria.marochnik@gmail.com

PORTFOLIO   dmarochnik.github.io

INTRODUCTION

I am highly motivated and I love learning new technologies. In my free time, I enjoy working out, playing with my pets, and watching reality TV or documentaries.

EDUCATION

Utah Valley University   *December 2020*

B.S. in Information Technology, Summa Cum Laude

Emphasis: Information Security

EDUCATION HIGHLIGHTS

For my senior project I developed a full stack web application. The client was written in Vue, and the API in ASP and .NET core. The database is in MySQL. All projects are available on my GitHub which can be accessed through my portfolio.

WORK EXPERIENCE

VASA Fitness   *December 2019 – Present*

IT Technician

- Resolve software and hardware issues for employees to keep our businesses running smoothly, so that fitness members have a great experience
- Automate tasks to decrease workload and make time for more important assignments
